

# PETE GUNN SCHOLARSHIP

*Every year MCIEF will award Pete Gunn Scholarships to industry associates who are new to transportation insurance & have a desire to become educated in the field.*

**APPLY NOW!**

Pete Gunn cared. He cared about people, he cared about truckers and he cared about education. He brought value to all by becoming the best insurance advisor he could be.

Pete started in the insurance business in 1964. He became an agency owner with Morgan, Trevathan & Gunn Insurance in Kentucky and *never stopped learning*. He obtained his CPCU designation in 1968, his CIC in 1984 and his TRS in 2013. He was a long time instructor for the National Alliance, educating hundreds of industry associates.

When MCIEF was founded, Pete was interested in putting programs together as well as teaching. His professionalism and willingness to share his knowledge with others is missed. In his honor, the MCIEF developed Pete Gunn Scholarships to assist industry associates in obtaining their TRS designation.

Scholarships are presented annually to industry associates who are new to transportation insurance, have a desire to become educated in the field and who one day may become the advisor that Pete was to all.

We will be offering an additional scholarship this year in the memory of Greg Allgeier. Greg was President and COO of Bolton and Company and a past President of the American Association of Managing General Agents. Greg was known in the industry for his professionalism and integrity and will be missed.

*MCIEF family feels privileged to be able to honor Greg's memory and his commitment to the insurance industry.*
