

WELCOME BACK

KNOW BEFORE YOU GO

We look forward to welcoming you back to Hyatt Regency Orlando Int'l Airport!

The safety and well-being of our guests and colleagues is always our top priority.

In light of COVID-19 we have implemented the following changes for your health, safety and enjoyment:

FACE MASKS

Face masks will be required for all guests & colleagues throughout the public areas and meeting/event spaces. While our smiles will be hidden, please know we are thrilled to welcome you. If you should need a mask, we are happy to provide one.

SOCIAL DISTANCING

Social distancing will be required in public areas and all event spaces. Safe social distancing is strongly suggested by maintaining 6 feet from one another.

COLLATERAL & SIGNAGE

In an effort to ensure your safety, the hotel has strategically placed signage, floor decals, plexi-shields and implemented various initiatives to provide comfort and ease during your stay.

HYGIENE

Colleagues will continue to practice proper hygiene procedures including frequent hand washing, use of alcohol based hand sanitizer, and additional PPE usage where applicable. There will also be hand sanitizer stations placed throughout the hotel for all guests and staff.
